Affiliate Membership Features and Benefits

Everything you'd expect from a virtual office: Includes an Innovation Centre trading address, mail support facility and Visitor Management and Reception Services. Each of our centres has access to on-site parking too.

However, our Affiliate Membership offers your business so much more...

Access to meeting rooms at discounted rates: This gives you the opportunity to meet important customers and win business in a professional environment.

Use of Innovation Centre break out spaces, including free Wi-Fi

Access to Centre networking events: Opportunities to connect and collaborate. You will also be able to learn about a number of aspects to running your business at our development events with a variety of interesting speakers and subjects.
