Formation Zone® Features and Benefits

Dedicated Workstation with 24/7 access: Includes Internet and Phonenumber - just add your computer and pictures of the kids for your desk! Use of our address to trade from gives you instant professional credibility. Each of our centres has access to on-site parking too.

However, this is so much more than just a dedicated desk to work from...

Access to Exclusive Professional Business Support Services: The Formation Zone's unique group of professional services to help guide you through the important things you need when starting a business.

One Year's free membership to Cornwall Chamber of Commerce: An invaluable source of networking and resource to help you grow your business. **Worth over £200**

Free meeting room usage: We'll give you 4 hours usage every month in our small meeting rooms - perfect for meeting important customers and win business.

Access to Innovation Centre networking events: Opportunities to connect and collaborate. You will also be able to learn about a number of aspects to running your business at our development events with a variety of interesting speakers and subjects.

One Year's free membership to Cornish Partnerships: A superb networking organisation with regular meetings throughout Cornwall. Membership of Cornish Partnerships is a fantastic opportunity to get your business known in the business community.
